Thank you for your contribution to the Arbor Day Foundation. No goods or services were provided. Your contribution will be applied towards reforestation efforts. We greatly appreciate your generosity towards making a cleaner, healthier, and lasting environment for this and future generations.

As part of our mission, the Arbor Day Foundation strives to increase the awareness of the need to plant and care for more trees in our environments. Our tree planting projects, along with our educational programs, help reach millions of people each year with this message.

Thanks to your support, we are able to further our shared mission and encourage the advancement of global environmental stewardship. Your generosity will add beauty to the landscape, clean the air we breathe, purify rivers and streams, and provide vitally important habitat for wildlife.

Thank you again for your care and support for the Arbor Day Foundation.

Best regards,

Kathy Wheeler
