

BEAUTY WIPES:

How to Launch a Successful Line

Select Your Path:

TURN-KEY SOLUTION

Get to market faster using our extensive line of formulas, materials and packaging options.

CUSTOM SOLUTION

Customize a formula then choose the best material to meet your product goals.

CUSTOMIZATION OPTIONS

Start With the Basics:

Material

Choose from natural, plant-based materials or blends of different materials, such as cotton and rayon.

Texture

Choose a texture to add features such as exfoliation, cleansing and makeup removal.

Shape

Choose from various shapes to offer versatility in products like peel pads, hair sheets and body mitts.

Choose Your Benefit and Formula:

Add your signature ingredient or select from our formula options.

MAKEUP REMOVAL | REFRESHING

BRIGHTENING | CLEANSING | HYDRATING

Select Your Packaging Size:

Travel Packs

1-20 count

Conveniently fits inside a gym bag or carry-on for on-the-go skincare.

Every Day

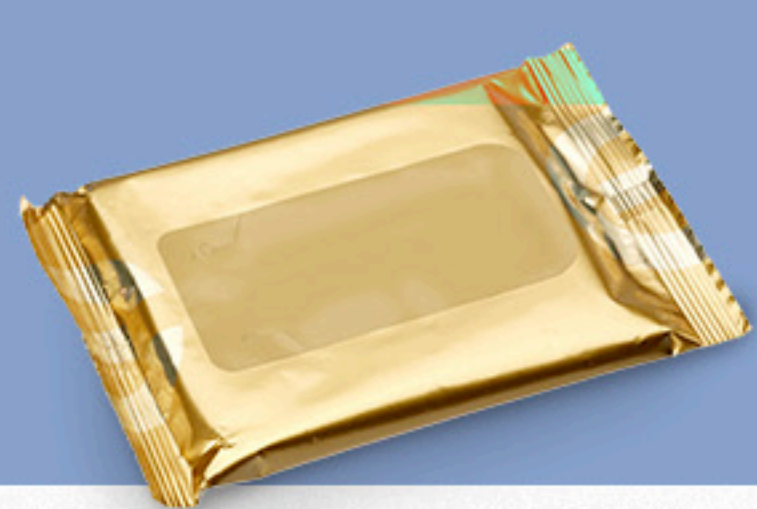

30 count

Remove makeup and treat skin daily from the comfort of home.

Large

80-100 count

For professional makeup artists or consumers looking to buy in bulk.

Select a Premium Closure: Taiki's Patented D-Cap

Taiki's patented D-Cap maintains freshness and moisture with a single-piece molded fitment and foil laminated seal system. This system provides a strong barrier to help retain fragrance and preserve formula.

THE TAIKI ADVANTAGE
