

FACIAL SHEET MASKS

Creating the Best Mask for Your Brand

WHY MASKS?

Problem

When water-based lotion is applied **80% of moisture evaporates** and minimal absorption occurs.

Solution

Face masks are scientifically proven to **maximize absorption and formula delivery** into the skin by:

SELECT YOUR FORMAT

Choose from various attributes and price points

AQUATIC

Transparent sheets made from seaweed carrageenan that provides one-way delivery to the skin

BIOCELLULOSE

Formulated with nata de coco to create a premium barrier for maximum moisture retention

HYDROGEL

Clear gel masks create a barrier level with increased adhesion and high occlusion

NON WOVEN

Soft, fabric-like sheets offer the most formula versatility and ability to absorb serums

PICK YOUR FORMULA & FUNCTION

Choose from many ingredients & benefits

CLEANSING

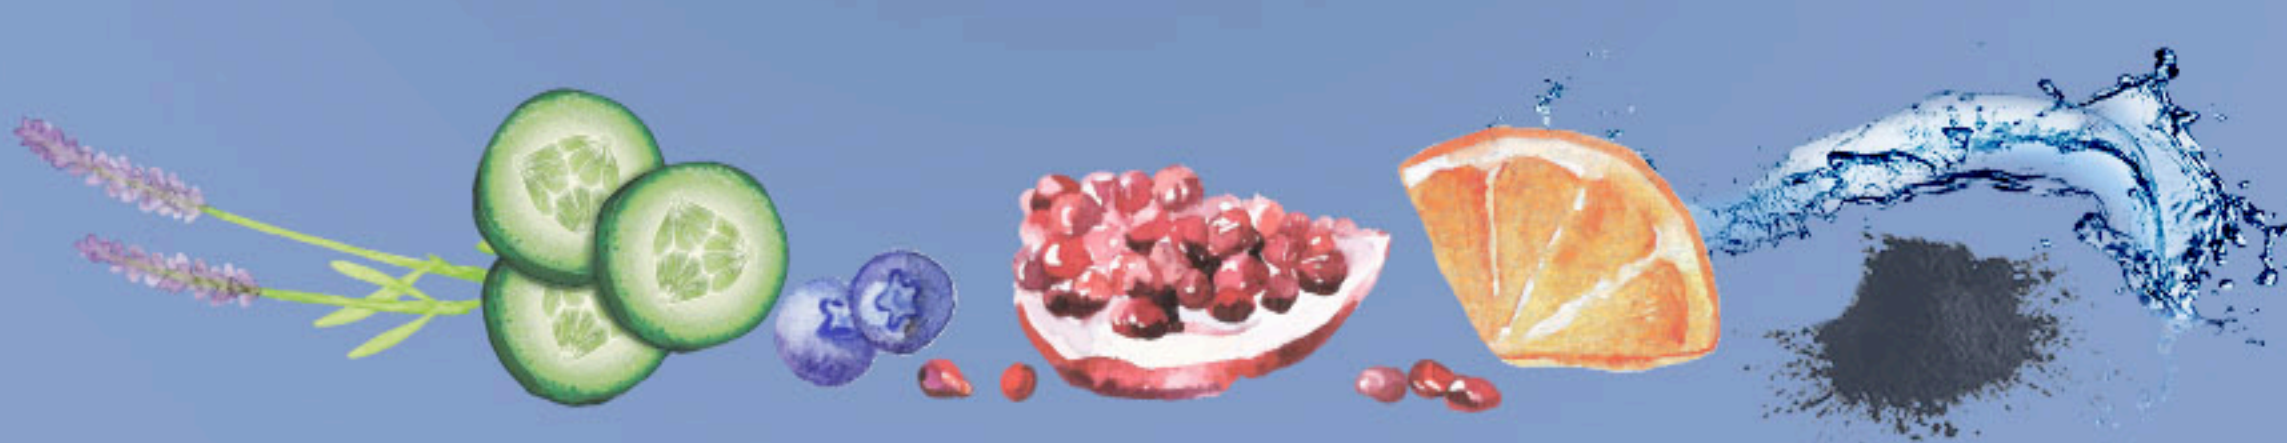

MOISTURIZING

BRIGHTENING

PURIFYING

FIRMING

PORE REFINING

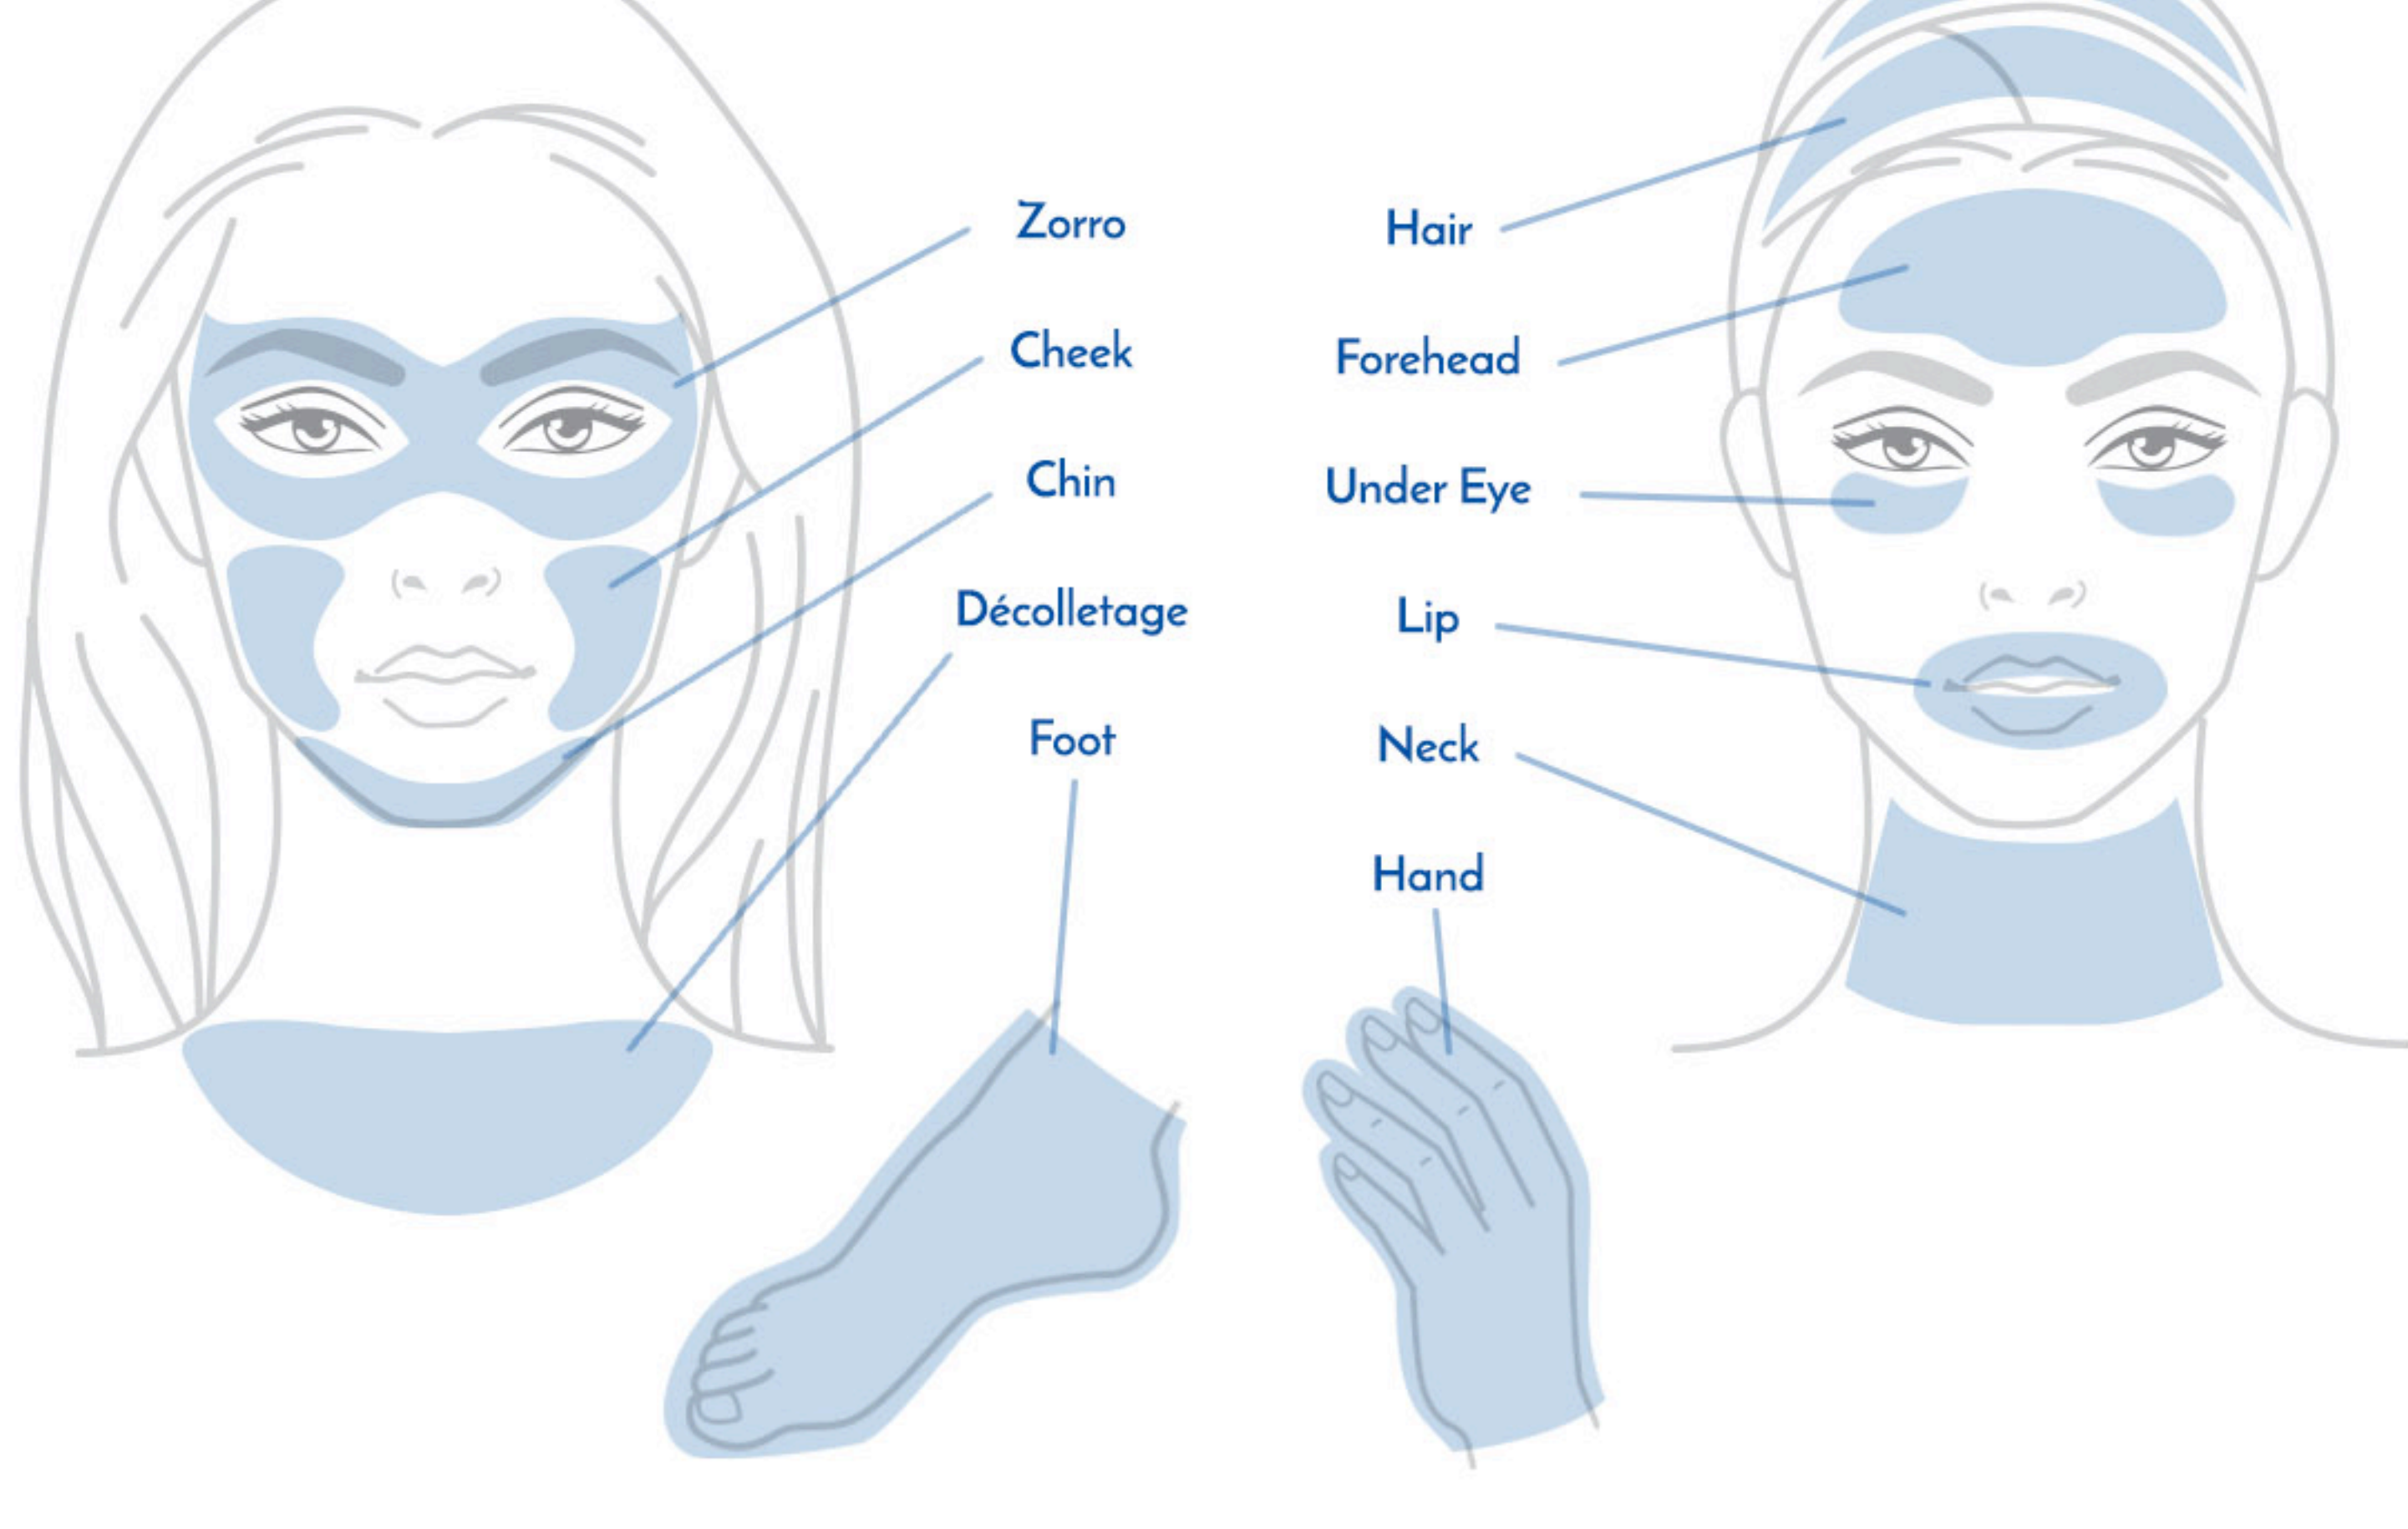

Add Some FASHION

Create a unique look with colors, glitter, hot stamping, prints and more.

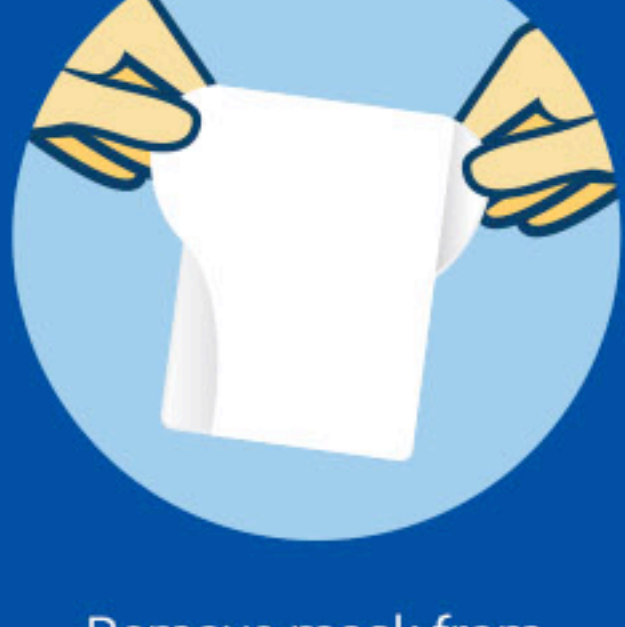

OFFER TARGETED TREATMENTS

With patches and specialty masks

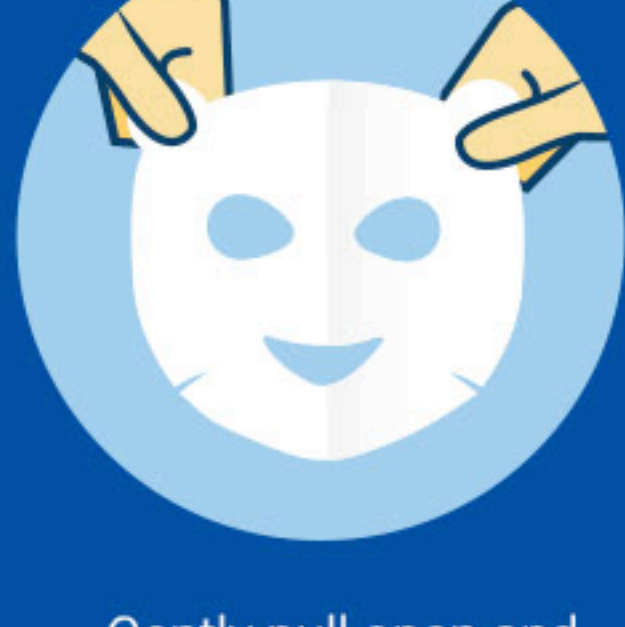

MAKE APPLICATION EASIER

Unlike regular sheet masks shapes, **Taiki's Perfect Pull Open (PPO) patented design** allows for quick and easy application:

Remove mask from package and hold tabs

Gently pull open and mask is ready to apply
